

We're Hiring: Experienced Food Technologist (Maternity Cover) – Immediate Start!

Are you a passionate Food Technologist with a flair for innovation and a sharp eye for detail? We're looking for someone like you to join our bakery team on a maternity cover contract, starting immediately!

Location: Brownings the Bakers, Kilmarnock, Ayrshire

Contract: Full-time, Fixed Term (Maternity Cover)

Start Date: ASAP

**What You'll Do:**

Ensure our products meet the highest food safety and quality standards.

Support NPD and continuous improvement projects.

Maintain compliance with BRCGS and all other relevant Food Safety Standards.

Collaborate with all departmental teams to drive excellence and promote a positive food safety culture.

**What We're Looking For:**

Proven experience in a food manufacturing or bakery environment.

Strong knowledge of food safety, HACCP, and quality systems.

A proactive, hands-on approach with great communication skills.

Ready to hit the ground running!

**Why Join Us?**

Be part of a passionate, close-knit team

Work in a fast-paced, creative environment

Make a real impact on the products our customers love
